Monthly Meeting Announcement and other Chapter News

November 2019 AAW Chapter 158 **A 501(c)(3) Non-profit Organization** **Bulletin 2019-11**

Our next **DES MOINES WOODTURNERS MEETING (AAW Chapter 158)** will be Saturday, November 9th, 1:00 pm, at the Woodsmith Store, 10320 Hickman Road, Clive, IA. See you then...

NOVEMBER MEANS ELECTIONS

The November Chapter meeting is an important meeting for all members of the Des Moines Woodturners, Inc. This year it is even more important because members will have the opportunity to vote on the revised set of bylaws all members received earlier. Major changes to the bylaws include:

- Definitions of terms have been added for "Board of Directors" or "board", "board meeting", "Quorum", and "Proxy Vote".
- Increasing the size of the Board of Directors from 6 (4 officers and 2 directors) to read "up to 8 members" (4 officers plus a minimum of 2 and a maximum of 4 directors).
-

It is also during this meeting that you have the opportunity to voice your opinion for who you want to lead your Chapter for 2020. The ballot for officers and directors to become our Board of Directors for the coming year are as follows:

President: Tom Whalley
Vice President: Will Zitterich
Secretary: Donna Byers
Treasure: Tom Baker
Directors: Jim Reynolds
 Tad Tadlock
 Stan Merrell

Following the introduction of nominees, there will be an opportunity for any Chapter member to nominate other members for any of these positions, **(but ONLY with the approval of your nominee!)**.

NOVEMBER'S PROGRAM: Stacy Nehl

Stacy Nehl is a member of the Corridor Woodturners chapter. During the demonstration, she will discuss laying out 2 types of patterns using an indexed grid and one freeform design. She will also discuss tool options and tool care and finish with color and finishing techniques. On the right are 2 of the three vases that Stacy will be demonstrating.

NEW MEMBERS - Please welcome **Randy Carroll** from Granger, Iowa.

SHOW 'N TELL

Plan to bring your projects or "in progress" items to show (or ask about) regardless of your current skill level. Members like to see the work of others and hear about the challenges you faced creating your project as well as how you overcame them. Members who brought a project in October were: **Will Zitterich, Vikki Morain, Jack Rolison, Dave Rabe, Dick Meuler**, and **Leroy Monson**. If you would also like to have any of your items critiqued, stop by the **Critique Table** after our monthly Chapter meeting. By providing you a helpful critique, it's hoped this will provide feedback to improve your future work and assist you in developing new ideas. Without constructive feedback, you are not only destined to repeat past mistakes but also not to see new ways to improve your work. As always, this is strictly voluntary.

2020 MEMBERSHIP DUES by Dick Meuler, Membership Database

Because of our fund-raising efforts at the Iowa State Fair, I'm pleased to report that our annual dues renewals are able to stay at the **incredibly low rate of \$20 a year**. All members who joined the chapter since the start of our summer break are already paid up for next year. I will be at a table at the November Chapter meeting to accept your membership renewal either before or after the meeting. Renewal dues checks can also be mailed to me or you can phone me with your credit card (CC) number, your name as shown on the card, the expiration date, the zip code your CC bill is mailed to and the three-digit security code on the back. Due to the excessive robo calls, call me at 515-991-8111 and simply leave me a voice mail with your name and phone number and I'll call you back to get the CC information. We can only accept Master Card, Visa, Discover or American Express cards.

It's important to note that you can renew your dues for 1,2,3,4 or 5 years if you choose. Many have paid for multiple years in advance. [Mail dues to Dick Meuler, Des Moines Woodturners, 10050 NE University Ave., Runnells, IA 50237](#). Remember, make your checks payable to Des Moines Woodturners, Inc.

OCTOBER'S PROGRAM by Rick Hutcheson

Member **Rick Hutcheson** demonstrated a number of ways a turner can make a bowl from a square half of a log. The purpose of the demonstration was to show turners that they do not have to automatically reject choosing a square half of a log for a project because it is not already cut in a round for them. He demonstrated how a turner can either cut off the corners of the log with a saw or chisel if they do not have a bandsaw or just mount it on the lathe and turn off the corners using a bowl gouge.

During the demo, Rick made a bowl, winged bowl, and a natural edge bowl. He demonstrated turning a bowl using a bowl gouge and a scraper and how a scraper can be used as a negative edge scraper by just tilting down the scraping edge to a little below the tool rest. He also used a pointed spear point scraper to cut the tenon on the bowl to fit the scroll chuck.

Rick also demonstrated how a common catch occurs when a bowl gouge is not used correctly, and what can be done if that should occur. He explained that if the edge of the bowl gouge touches the turning wood before the bevel of the gouge touches the wood, the tool edge catches and/or cuts deeply into the wood and forces the bowl off the lathe. He vividly showed how the gouge made the deep cuts and more importantly how they can be prevented. If this happens to a turner, they can just re-cut the tenon and put it back on the lathe and just make something a little smaller.

He also showed how a plexiglass disk he made was used to draw a circle on a square half of a log to aid in cutting off the corners to make it round and how a jig he made uses a strap to clamp or hold a round to cut off the sides of a round on a bandsaw safely.

NOVEMBER'S NETWORKING EVENT

Another great crowd was on hand to learn from fellow woodworkers at the August Networking event. The next networking gathering will be **Wednesday, November 27**, at the Fred Maytag II Scout Center from 9:30 till 11:00. Remember, we need good turning blanks for sale, as well, so if you have some you are willing to donate, please bring them with you. The wood sales will start at 9:45. Also be sure to ask for a **FREE** drawing ticket at the cashier table when you arrive, but just one per member. We always have great door prizes. With no program, you're able to meet other woodturners and visit in an informal setting over a cup of coffee and donuts. Thanks to member **Dan Carlson** for setting up the refreshments! Members are also encouraged to bring in projects for feedback or turning tools you may have usage questions about. This event is for you to get your questions answered. As always, questions and problems brought before those present will likely bring you a variety of ~~correct answers~~ "opinions". If you have a friend interested in woodturning, please bring him/her along.

Come as often as possible. We'll continue the event if members show interest through their attendance. Watch each month for your e-mail reminder. As always, guests are welcome, too. For more information and map of where the Scout Center is, go to http://www.dmwoodturners.com/?page_id=500.

FESTIVAL OF TREES & LIGHTS – November 27th through December 1st

Please consider showcasing your special talents by donating ornaments for this great cause! The items should be lightweight and include a small eyelet or other means to secure the ornaments to the tree with wire. When completed, they can be dropped off in the designated box at the Woodsmith Store or at the November Des Moines Woodturners Chapter meetings. The drop-off deadline is **Friday, Nov 15th**.

If you are available to help, volunteers are needed on November 21st at 10:00 AM at the Woodsmith store to prepare the ornaments to be attached to our tree. Snacks and beverages will be provided. Volunteers are also needed to help with decorating the tree at the Convention Center on 24th of November from 9:00 AM to 5:00 PM. and perhaps the 25th 8:00 AM to Noon. Bob will let volunteers know. Please contact Bob Pontious 641-895-1886 or Email at xdc22@gmail.com if you are willing to assist in this project or if you have any questions, or you can talk with him after our November meeting.

MAKING SPURTLE BLANKS

Over 600 spurtle blanks for the 2020 state fair were cut up, bundled and inventoried Saturday, October 19 in member **Tom Whalley's** shop with the help of members **Donna** and **Jim Byers**, **Randy Willey**, **Dan England**, **Craig Wycoff** and **Denny Lind**. These folks answered a "last minute" call on Friday night or Saturday morning asking if they would be

available to help! A huge thank you to all of you who made completed this task in just under 3 hours! Please plan to pick some up at upcoming Scout Center networking events on the 4th Wednesday of the month or by contacting **Tom Whalley** at 515-321-6323 or pres@dmwoodturners.com.

TURN 'n LEARN

On Sunday, November 3rd, we held our first **Turn 'n Learn** at the Woodsmith Store where members learned all about sharpening and had an opportunity to give it a try. Member **Dick Meuler** demonstrated how to sharpen spindle gouges for ornaments plus safe ways to sharpen the spindle roughing gouge, parting tools and the 40-40 grind plus much more. Attending members also learned more about Stuart Batty's 40-40 grind and had time to practice the motions required to accomplish this sharpening method using a "V" shaped Bowl Gouge.

TURNING CLASSES

If you would like to put your name on the list for future basic spindle turning classes, or would be interested in attending other classes, please send an email to **Rob Beattie** at educ@dmwoodturners.com. Indicate if you are interested in the Basic Spindle Turning Class or let him know another interest for a class you might like to take. Why not get started on the right foot by learning some woodturning techniques from our outstanding training team? As an additional incentive, all classes are now using our new Jet 1221 variable speed lathes.

WOODTURNERS LIBRARY NEWS – Thanks to **Don Skarin** and **Tom George** for volunteering to operate the library. A listing of our entire library contents can be found on our web site at: http://www.dmwoodturners.com/?page_id=84. It also shows the replacement cost for material not returned. Remember, **RETURN ALL CHECKED OUT MATERIAL TO OUR LIBRARY VOLUNTEERS** in the Woodsmith seminar room on Saturday meeting days, or, give it to **Tom Whalley** or **Dick Meuler** during the Scout Center meetings. Leaving them anywhere else may result

in lost material and replacement cost fees. By the way, do **you** have some items you are no longer using that other turners might enjoy? If so, bring them Saturday and donate them to our library. What you donate might be just what someone else was looking for, so please bring them with you to the next DMWT Chapter meeting.

..Bring a friend, neighbor or co-worker you think might enjoy woodturning..

If you have any thoughts or ideas about a program topic you or our members could benefit from, please contact the Director of Programs, Dave Rabe. He can be reached at 641-680-1129 or by email at prog@dmwoodturners.com. Chances are if you are interested, others probably would be as well. Please let Dave know what you would like to see.

DES MOINES WOODTURNERS WEARABLES

Members wanting Des Moines Woodturners logos embroidered on clothing are advised to purchase shirts, sweatshirts or turning smocks of their choice and style. These must be BRAND NEW and UNWASHED and can be delivered to any officer or board member. When enough are collected to meet minimums, they will be taken to the embroiderer? Be sure to attach a note with your name to the collar of each garment submitted indicating if and how you want your name embroidered along with the Chapter logo. Costs to add the standard logo are \$8.00 per item. Personalized names can also be added for an additional \$6.00 per item. To learn more about this program, go to https://www.dmwoodturners.com/?page_id=596 or chat with **Rob Beattie** if you have questions by calling 515-282-4532 or beattie.r@mchsi.com.

WOODSMITH PARKING - PLEASE REMEMBER

When arriving at Woodsmith Saturday, park at the far East and North sides of their parking lot. This leaves the areas closest to the entrance door for their normal Saturday store customers. If you have items to drop off for our meeting, drop them at the entrance and then go park in the designated areas. Woodsmith is gracious to let us use their facility. Please respect their parking rules so customers have easy access to the store on one of their busiest days of the week.

[Thanks for your continued cooperation.](#)
