November 2025 a 501(c)(3) Non-profit Organization Bulletin 2025-11

## November 8th Demonstration Tad Tadlock – Tops

I worked for 42 years for Fareway Stores as a meat cutter, the last 23 years as Meat Department Manager in Winterset. I retired in October 2011.

After retiring I thought I would be a woodworker. That didn't last long as I found out projects needed to be square and fit together without gaps.

A friend of mine thought I should try woodturning. He could show me how as he was a shop class teacher, however he was a segmented turner. Same old problem, the pieces needed to fit together, way too boring for me.

Rich Thompson recommended joining the Des Moines Woodworkers and Turners. After a couple of meetings the Turners broke away from the DSM Woodworkers. Dick Meuler told me the Woodturners were starting classes for beginning turners. The rest is history.

I became an instructor and a board member. I am still having fun.

I am a basic (Ed: not really, advanced is closer) bowl turner using found wood or wood friends drop off at the shop.

**Election of Club Officers and Board Members  
will occur at the November Chapter meeting.**

Nominees are as follows:  
President – **Dennis Anderson**  
Vice President – **Mark Hayes**  
Secretary – **Will Zitterich**  
Treasurer – **Stan Merrell**  
Director at Large – **Mike Hamilton**  
Director of Membership – **Dan Carlson**  
Director of Education – **Tad Tadlock**  
Director of Programs – **Tara Kinder**

**From the President  
Dennis Anderson  
Club Volunteer Opportunities**

The club is seeking volunteers to help with its functions throughout the coming year. As the club has grown, there is a need for members to take on duties to avoid overworking the same individuals. Members do not need to hold an elected position to contribute. Here are some of the areas the club needs volunteers to help:

- **Iowa State Fair booth** (Help with product and wood supply during the year, scheduling workers at the fair, direct fair booth set-up and tear-down)
- **Programs** (Assist with finding programs)
- **Meetings** (Make coffee, cleanup after meetings)
- **Meeting location search** (We have an unknown time frame to continue to rent meeting space at Valley West Mall.)
- **Inventory** (We need assistance in inventory listing and documentation)

Members can talk to a board member or Dennis Anderson for more details on how to get involved.

**Turning Challenge for November 8th  
New Once Turned Bowl**

When filling out the Turning Challenge card, please put your name on the back.  
Tape the card to the bottom of your turning.

## Festival of Trees and Lights

Turn in any ornaments you made for the Festival of Trees and Lights at the November 8th chapter meeting.

Here's a great way to display local woodworking talent and creativity.

Once again the local Woodcarvers, Woodturners, and Woodworkers clubs are collaborating to decorate a tree that will be selected by a sponsored donor at the Festival of Trees and Lights, in support of programs at Blank Children's Hospital that improve the health and lives of Iowa's children.

This is the 42nd year of the Festival, running from November 28 - 30, 2025 with a total of \$15 million raised so far.

We're asking for handmade, wooden, finished Christmas tree decorations to decorate a seven-foot tree. A picture of last year's tree and decorating group is attached.

Completed ornaments can be turned in to a decorated collection box at the Woodsmith Store, or at the November 8th Woodturners meeting.

We're also looking for someone to make or donate a tree skirt, as well as make or donate a tree topper, both of which will stay with the tree and go to the winning bidder.

We're also looking for help to decorate the tree on Sunday afternoon, November 23, 2025 starting at 1:00, at Veterans Memorial, downtown Des Moines.

Let me know if you can help with tree skirt, tree topper, or decorating the tree.

Thanks in advance,

**Greg Alberts**

## Membership News from Dan Carlson

### Have YOU Paid YOUR Dues?

As of October 29th we have 200 members!!.

Your board has voted to keep the dues the same for 2026 as has been the case for the last several years. As you know this is possible due to your generosity by making things we can sell at the state fair. This also pays for our professional turners we bring in to demonstrate something for you we hope you are interested in and can learn from.

Dues for 2026 are \$20 renewal and \$25 for new members to join their first year. If you haven't already, you should be receiving an email from me with instructions on how you can pay your dues if not already paid. Some of you are paid in advance and I will let you know that. Like last year, you have several ways to pay your dues.

1. Online using your credit card via a "Square" link. (Link below)
2. Online using your PayPal account. (Link below)
3. A check mailed to our mailbox - Des Moines Woodturners, PO box 71629, Clive, IA 50325
4. By cash or check at any of the upcoming meetings but no later than January 10th, 2026. After that the dues increase to \$25. Do not send cash through the post office. Pay Dan Carlson or Stan Merrell.

Any question contact me at [dmwoodturners@gmail.com](mailto:dmwoodturners@gmail.com) or call Dan at 515-720-0637.

## Are you signed up for a Woodturning Class?

Please check the Training Classes page. There have been a number of changes in class assignments. Please make sure you are in the right class at the right time. If there is an error, please email [John Amberg](#) ASAP.

## **Check Your Calendar - Networking Meetings Date Change**

Because of the upcoming Holidays the date of the Wednesday morning Networking Meetings has been changed.

**November Networking: November 19<sup>th</sup> (Not November 26<sup>th</sup>)**

**December Networking: December 17<sup>th</sup> (Not December 24<sup>th</sup>)**

## **DWMT Board Meeting ++All are Invited++**

Board meetings are open to all members.

The next board meeting is November 19<sup>th</sup> at approximately 10:30 AM at Valley West.

## **Blanks Needed for State Fair 2026 from Duane Groenenboom**

I reviewed what blanks are available for spurtles, tops, and rolling pins and think we will have enough for 2026.

We will need more cedar blanks and funky pen blanks. We need to start harvesting cedar this fall so it will be dry enough for handing out next spring. **Stan Merrell** and I harvested some last April, and it is in the warehouse. I'm estimating it will be enough for 75 trees.

Cherry limbs also make good trees especially if it has spalted a little. I think honey locust branches could also make some interesting trees. Sycamore trees also sell well. I'm sure there are other species that would make interesting trees.

## Turning Challenge & Show and Tell Cards

I have slightly modified the Turning Challenge Card. The Turning Challenge is judged anonymously so I ask that you print your name on the **back** of the card.

After you have filled out the card, please tape the card to the bottom of your turning. Cards and tape will be provided (or print out yours ahead of time).

### Woodturning Classes

**General Information:** You will receive an information packet by email approximately 1 month before the class. It contains a list of required accessories, location and safety information. A reminder will arrive about 1 week before the class. The fee is collected on the day of the class. There is no penalty for cancellation, but please let us know ASAP if you have to cancel.

**Basic Woodturning:** If you have not taken Basic Woodturning you will find it useful if you're new to turning, been away from the lathe for awhile or would just like a refresher. Enhance your spindle turning skills. It is a fun day and a confidence builder. In addition, it is the prerequisite for the other courses. DWMT provides the tools and wood. Homework is assigned between classes so you will need access to a lathe. Basic Woodturning is two consecutive Mondays, 8:30 to 5. Cost: \$40.

**Basic Bowl Turning:** This class touches on basics of wood harvesting, differences from spindle turning, and introduces the bowl gouge. You will practice on a Poplar blank before turning your Hard Maple bowl. The class is one full day. DMWT provides the tools and blanks, you provide the accessories and face shield. This is a one day class. Cost: \$20.

**Basic Segmenting:** This class will cover the basics of making segmented projects, from calculating segment angles and sizes, ring diameters needed, segment wood prep, gluing and clamping, to accurate cutting fixtures. You'll glue together furnished pre-cut segments and clamp them. Turning will be demonstrated but students won't be using the lathe in the class. Pre-cut segments for glue-up practice will be furnished. Bring paper and pencil to take notes. This is a one day class. Cost: \$20.

**Basic Skew Chisel:** This class will introduce students to the proper techniques and use of the tool as well as sharpening. Students will furnish their own skew chisel(s) (3/4 inch and up preferred). We will use the same accessories as in the Basic Woodturning Class. This is a one day class. Cost: \$20.

**Basic Sharpening:** The sharpening class will use lathe mounted sandpaper sharpening wheels and wooden dowels to teach the techniques of sharpening. This class is primarily for gouges but will also touch on a variety of other common traditional turning tools such as parting tools, skew, bedan and scrapers. In addition, sharpening hollowing tools, thread chasers, hook tools and common flat carbide cutters will be discussed. After practice, students will have the opportunity to sharpen their own tools using the Oneway Wolverine Sharpening system and CBN wheels. This is a one day class. Cost: \$20.

Please contact John Amberg at [johnaamberg@yahoo.com](mailto:johnaamberg@yahoo.com) for further information or to sign up.

## Mentoring Program

The Des Moines Woodturners Inc. (DMWT) invites members to use the Mentor Program. Below is a list of volunteers, members in good standing, who are willing to share their experience and answer specific questions to help you with a particular problem. Each mentor's strengths are noted along with their name and city location. Select who might be best to contact, based on your questions and how far they are from you. As volunteers, it will be up to the mentor to decide if they can help, whose shop will be used and what mentoring will look like based on the need.

## Educational Opportunities

### DMWT Woodturning Scholarship

The Des Moines Woodturners offer a scholarship program for the benefit of chapter members. Woodturning can be an expensive endeavor. The cost of equipment such as a lathe, bandsaw, chainsaw, sharpening system, buffing system and the myriad of items like drive centers, scroll chucks, live centers, adapters, jaws, and faceplates can mount rapidly. In addition is the cost of turning tools, embellishing tools, specialty tools and a host of accessories, supplies and finishing products, not to mention the cost of wood if you don't have the capacity to harvest your own.

By the same token, three and five day woodturning educational events are also expensive when located out-of-state. Travel costs, lodging and tuition can easily run \$1,000 to \$1,700 per event.

This scholarship is not intended as a source of financial aid for those who might otherwise not be able to afford the educational experience. Instead, it is offered as an incentive to those serious about woodturning who are willing to expand their skills and knowledge and bring those skill-sets back to share with our members in a variety of ways. The scholarship can provide recipients a 25% to 50% discount toward the overall cost of their attendance expenses.

The purpose of the scholarship is to expand personal woodturning skills and knowledge and share their experience with fellow members by:

- Attending Chapter events and sharing their learning experience.
- Showing examples of their work as a result of their learning experience.
- Demonstrating what they learned at a chapter meeting, event, or class.
- Sharing their overall learning experience and confidence building experience.
- Encouraging members to expand their woodturning skills via similar educational experiences.
- Volunteering for Chapter leadership positions (wide variety of opportunities).

### American Association of Woodturners (AAW)

We recommend an AAW membership because it offers many woodturning resources:

- \*\* Six issues of American Woodturner magazine each year.
- \*\* On-line access to all previous issues of American Woodturner and FUNdamentals.
- \*\* On-line access to videos and many other learning resources.

## Des Moines Woodturners Wearables

Members wanting Des Moines Woodturners logo embroidered on clothing are advised to purchase shirts, sweatshirts or turning smocks of their choice and style. These must be BRAND NEW and UNWASHED and can be delivered to any officer or board member. When enough items are collected to meet minimums, they will be taken to the embroiderer. Be sure to attach a note with your name to the collar of each garment submitted indicating if and how you want your name embroidered along with the Chapter logo. The DM Woodturners logo and your name costs \$16.00 paid at the time the item is given to Rob Beattie. Chat with **Rob Beattie** if you have questions. 515-282-4532 or [beattie.r@mchsi.com](mailto:beattie.r@mchsi.com).
